We wish to express our appreciation to the advertisers and to all who helped to make it possible for us to have this book to treasure as a priceless possession.

In compiling this annual we have tried to give to you a yearbook which in years to come will be cherished for its memories of dear friends and happy school days.

MARY MANN

Dedication

The JA-CE-HI we dedicate
to you,
With all our thanks and
praise,
To show you our
appreciation
Of our memorable school
days.
Many times you have
helped us,
When our grades were
getting low.
You've shared with us
your knowledge.
Our gratitude we want
you to know.

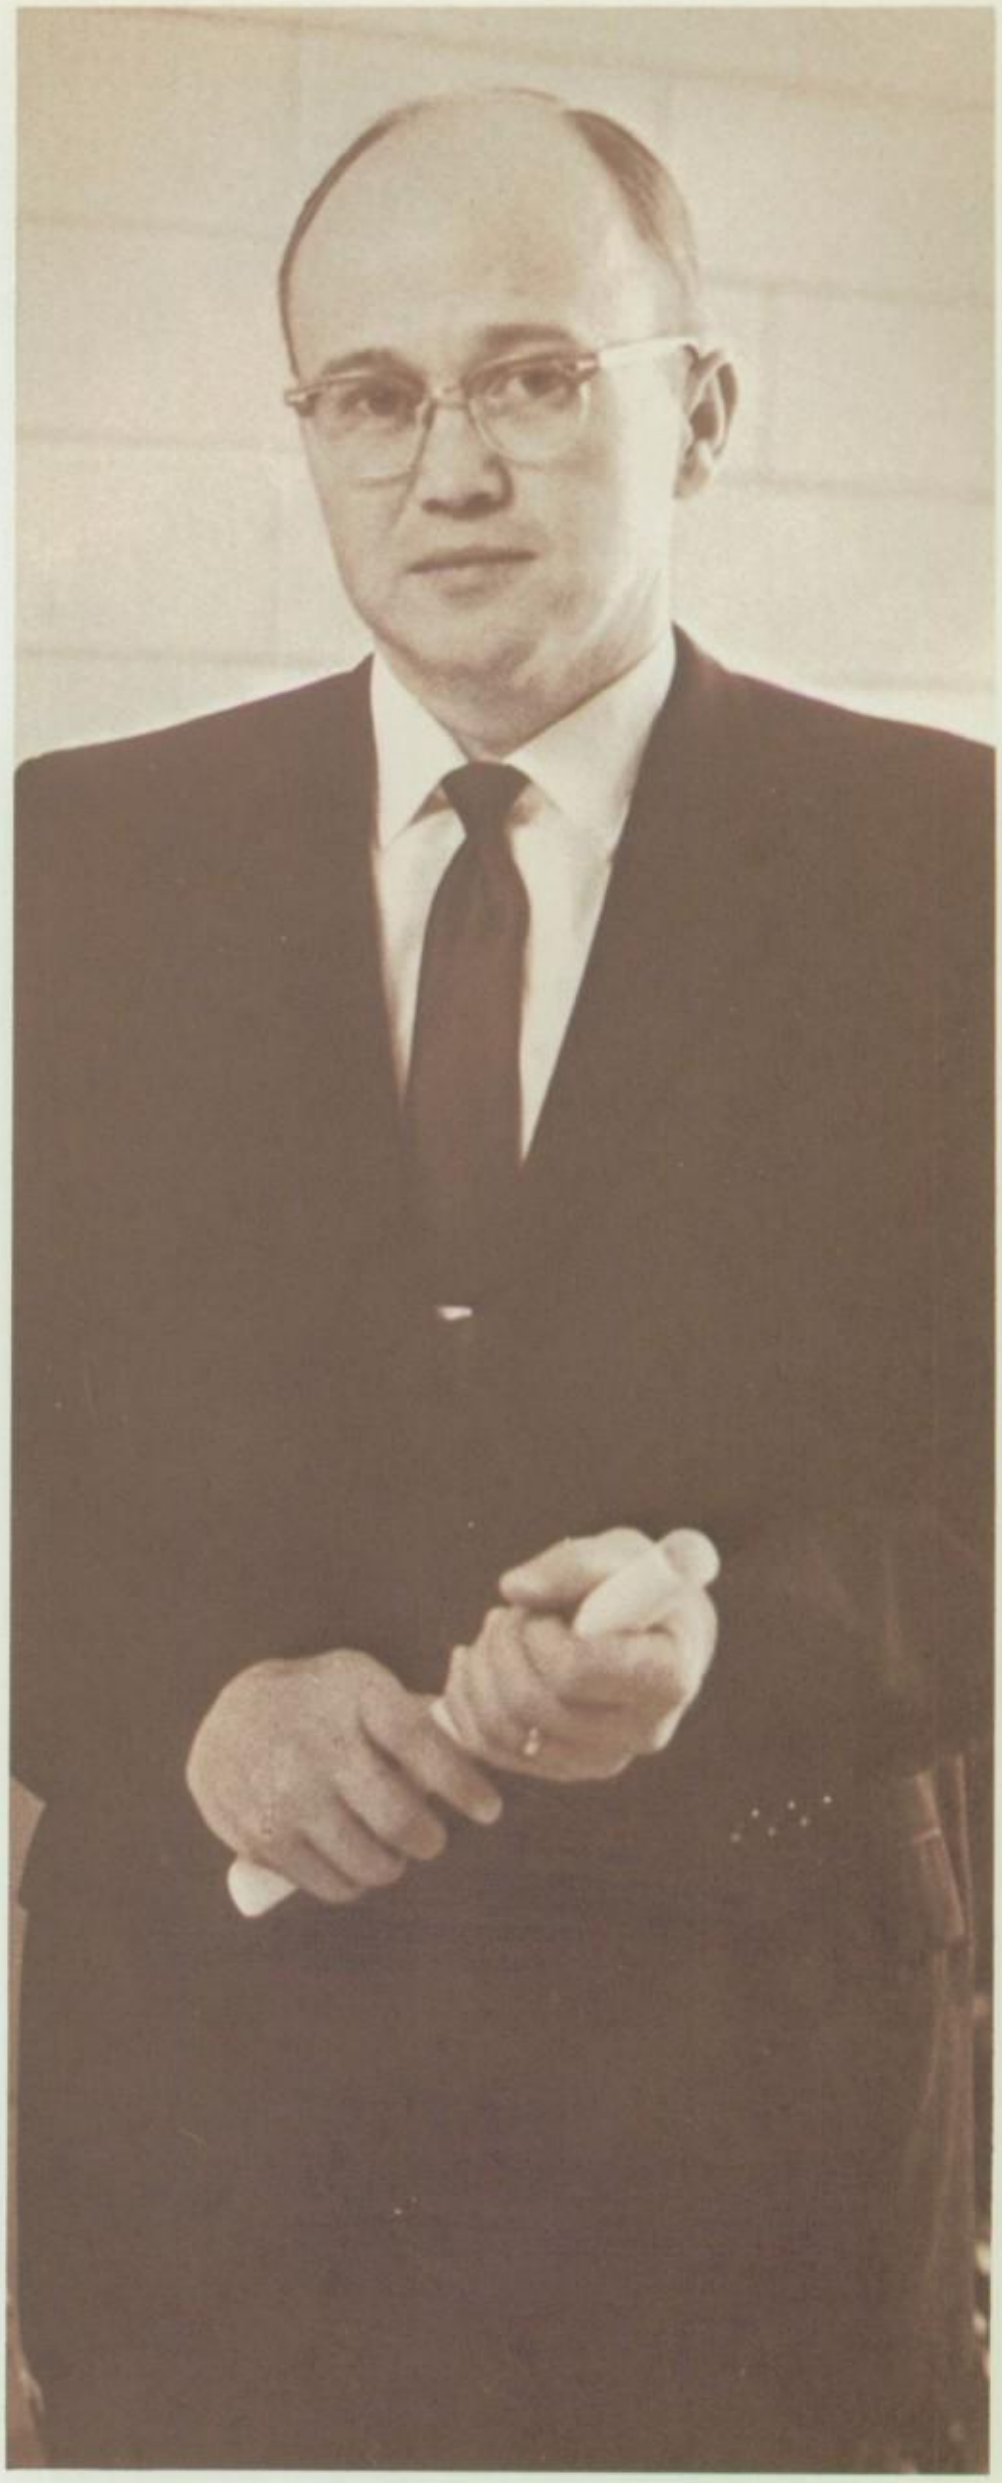
ANNUAL STAFF

Mrs. Johnson

Mr. Warner graduated from Xenia High School, and attended Columbus Business University and Cedarville College, before obtaining his Bachelor of Science and Master's Degrees from Ohio State University. He also took courses in administration at Miami University.

The hobbies of our superintendent include electronics and camping. He also enjoyed many years caring for tropical fish.

"I believe most kids are heading in the right direction and are leading a good life. I regret that the few who do wrong get so much publicity. I believe the young people will work to solve the problems of tomorrow, and make a better world."



Superintendent

MR. ROBERT WARNER

Principal

MR. JAMES WRIGHT

After the twelfth year of training, a boy or girl has acquired all the necessary accouterments for life in the world outside the protective walls of the castle-like school.

You, the young men and women of Jackson Center High are about to embark on the most important crusade of your lives. You are crossing the draw-bridge into the world to prove that there is still armor to be polished, damsels in distress to be rescued, and dragons to be slain.

Some of you will continue your education and find adventure in all parts of the world. Some will remain in this area to carry on what your forefathers have built.

We, the faculty stand behind the knights and ladies of J.C. High to wish you success in your crusade to conquer the world.
